CFI Training Courses

CFI Training & Certification

The following two-day courses focus on hands-on, skills training and knowledge for the professional residential flooring installer. Two year's experience is required for the certifications offered. Installers are welcome to opt out of the certification if the two year requirement cannot be met; however, a minimum of 6 months is required to attend for training only.

Hardwood/Laminate

Topics include: Factory Finishes, Nail-down, Glue-down, Floating installations, Staple/Cleats, Job Site Evaluation, Grades, Sub-Floors, Effects of Moisture, Radiant Systems and more. In addition to CFI Certification, the following certifications are available at this event:

Additional requirements and testing apply.

Carpet

Topics Include: Seaming, powerstretching and wall-trimming techniques, pattern matching, correcting bow, skew and pattern elongation, stair upholstery without the use of staples and more. CFI Residential I Carpet Certification is awarded upon successful completion of course and proof of 2 year's experience prior to testing.
